STUDENT SUMMER OPPORTUNITIES

(and a few in-school-year programs)

• **Young Scholars Program** at University of Maryland – July 13-Aug. 1, 2008. (Application process begins on Feb. 18, 2008), www.summer.umd.edu/ysp. The **Young Scholars Program** lets you choose one 3-credit University of Maryland course that’s an introduction to a particular field of study. You’ll learn from some of the university’s best faculty, who’ll provide challenging instruction in a dynamic classroom environment. And you’ll develop new study skills and ways of learning while exploring career options.

• **Youth Legislative Assembly** is open to all North Carolina youth. The conference allows high school students to gain a better understanding and knowledge of local, state and national government as well as the confidence and ability to debate current issues. Any student in good standing at a public, private, charter or home school in North Carolina is eligible to participate in YLA. The 36th session of the Youth Legislative Assembly will be held March 7-9, 2008. <http://7w.ncyao.com>.

• **Summer Seminar for U.S. Air Force Academy** - June 8-13, 2008 Session "A" or June 15-20, 2008 Session "B". Selection for the program is highly competitive. Students will be evaluated on their academics (GPA & test scores), athletics and extracurricular activities. **Applications are accepted between Jan. 1, 2008, and March 15, 2008.** <http://academyadmissions.com/admissions/summerseminar/>.

• **Broadreach Summer Adventures** -- Broadreach offers experiential summer adventures for teenagers ages 13-18, including scuba, sailing, marine biology, academic and wilderness programs that span the globe. Visit website at www.gobroadreach.com or call 888-833-1907 for more information.

• **Davidson July Experience** – July 6-28, 2008 – Study anthropology, biology, economics, mathematics, English, music and political science. Application must be **postmarked by April 1, 2008**.
